If you live west of the Willamette river, and it's convenient for you, please include a one-page Mapquest.com print to help us get to your home easier.

IF you live in SW/NW Portland, or where streets are 'not-grid', or if you can think of anything potentially helpful delivery wise, is your home; N, S, E, or W from a big street near you, off a gravel road, near a dead end street, a flag lot. What roads do you take from the main road near your home to your home?
